The Chairman proposed the Meeting to acknowledge the Directors' Report on 2020 operating results of the Company's performance. He then informed the Meeting that the Company's operating results in the year of 2020 will be reported by Mr. Jan-Christian Rosemeyer, Director and Country Chief Financial Officer, Allianz Ayudhya Thailand, while subsidiary and associated company's operating results will be reported by the CEOs, Mr. Lars Heibutzki, Director and President & Chief Executive Officer of Allianz Ayudhya General Insurance (AAGI), and Mr. Thomas Charles Wilson, Director and President & Chief Executive Officer of Allianz Ayudhya Assurance (AZAY). The Company's operating results of Good Corporate Governance will be reported by the Chairman.

The Chairman invited Mr. Jan-Christian Rosemeyer, Director and Country Chief Financial Officer, to report to the Meeting on the Directors' Report on 2020 operating results of the Company's performance. The Directors' Report included the Company's performance and significant changes during the year 2020.

2020 The Company's Operating Results

Mr. Jan-Christian Rosemeyer reported that the Company's performance in 2020 and significant changes during the year of 2020 had been summarized in the Management Discussion and Analysis (MD&A) which was submitted to the shareholders as a part of the Annual Report 2020 and which was delivered to the shareholders together with the invitation according to the Attachment No. 2.

The current shareholding structure of the Group is as follows.

- Allianz Ayudhya Capital or AAC (AYUD) has one subsidiary, Allianz Ayudhya General Insurance (AAGI), in which it holds 99.99% of shares and;
- One associate company, Allianz Ayudhya Assurance (AZAY), in which it holds 31.97% of shares.

This structure results from changes in 2019 when the Company's subsidiary, AAGI (at that time named Sri Ayudhya General Insurance) bought the entire business of Allianz General Insurance (AZTH). In the year 2020, the corporate structure remained unchanged.

The Company's financial position for the year 2020 was strong:

- Net Income: In total, the consolidated Net Income of AAC for the Year 2020 was THB 631 million, an increase of 233% compared to prior year. This was supported by solid results compared to last year across all dimensions: Net Income of AAC of THB 425 million, AAGI standalone with THB -260 million and AZAY Net Income of THB. 3,383 million. While AAGI showed a net loss in 2020, this was in line with the business plan following the acquisition of AZTH in 2019 and the two-year integration plan thereafter to build a profitable entity AAGI, which is on track to be achieved in 2021.

In light of the Covid-19 situation, the results of the Group were very strong. The Group could continue business as usual. Only the Phuket branch had been temporarily closed from March to April 2020 according to the lockdown policy of the province. The Group had activated its Business Continuity Plan, used digital sales tools and implemented work from home of up to 80-90% of total staff.

- Revenue: The Company derived the majority of its revenue from Underwriting Income, 4.462 billion or 79.8% of total, followed by Investment Income 1.066 billion or 19.1%.

Underwriting income details were:

- 62.7% Motor insurance;
- 21.3% Miscellaneous (for example Engineering, Liability, Accident);
- 13.1% Fire;
- 2.9% Marine & Transport.

Mr. Jan-Christian Rosemeyer elaborated on the consolidated income statement of the Company as follows.

- THB 5.7 billion Gross Premium Written (GPW) – stable against last year, reflecting the headwind from Covid-19 on sales and stricter underwriting rules;
- THB 4.2 billion Net Premium Earned (NPE) – a significant increase due to the termination of reinsurance;

- THB 1.1 billion Investment Profit from AZAY, both an increase in participation & profitability of AZAY;
- THB 0.4 billion Underwriting Profit – a slight reduction from higher claims and acquisition expenses;
- THB 0.8 billion Operating Expenses – a solid reduction against last year from cost synergies and reduced full-time equivalent employees.

In total, this resulted in a Net Income of THB 631 million in 2020 compared to THB 190 million in 2019. Other Comprehensive Income was negative with THB -295 million due to valuation changes of assets held by AZAY which were classified as Available for Sales.

▪ Assets:

- THB 2.8 billion Cash & Cash Equivalent – a reduction due to the deployment of excess cash;
- THB 7.4 billion Investment in Securities – fairly stable;
- THB 11.3 billion Investment in Associate – an increase from last year due to AZAY earnings and asset valuation;
- THB 0.5 billion Goodwill – from the entire business transfer of AZTH in 2019

▪ Liabilities:

- THB 5.2 billion Insurance Contract Liabilities – a decrease from last year mainly due to unearned premium liabilities;
- THB 1.3 billion amounts due to Reinsurers – a decrease due to the termination of a large reinsurance contract;
- THB 0.5 billion Accrued Expenses – an increase due to AAGI outsourcing and service agreements.

▪ Equity:

- THB10.5 billion Share Capital – a slight increase due to the last execution of warrants
- THB 4.4 billion Other Comprehensive Income in Associate – a slight decrease due to lower unrealized gains of AZAY.

The Chairman invited Mr. Lars Heibutzki, Director and President & Chief Executive Officer of Allianz Ayudhya General Insurance (AAGI) to report on the 2020 operating results of AAGI.

Operating Results on Allianz Ayudhya General Insurance

Mr. Lars Heibutzki reported that AAGI's focus in 2020 was to complete the business integration and improving its business risk mix while navigating a challenging market environment.

- AAGI market share in the insurance industry was 2.2%, ranked #13 in the market
- The economic impact from Covid-19 was visible particularly with the AAGI's motor leasing partners where insurance volumes contracted with the decline in car sales. That was one of the main drivers for AAGI's reduction in GWP in 2020 to THB 5.7 billion;
- At the same time Net Earned Premium (NEP) improved to THB 4.2 billion due to a more efficient reinsurance program and higher retention since the beginning of 2020;
- AAGI's strong focus on efficiency gains after the acquisition of AZTH helped to control expenses and deliver a reduced Net Loss of THB 260 million; and
- AAGI's capital position was very solid with a CAR of 356%

The Chairman invited Mr. Thomas Charles Wilson, Director and President & Chief Executive Officer of Allianz Ayudhya Assurance (AZAY) to report on the 2020 operating results of AZAY.

Operating Results of Allianz Ayudhya Assurance

Mr. Thomas Charles Wilson reported that in 2020 AZAY achieved strong operating results and navigated a challenging market environment with a focus on containment of discretionary expenses. Because of the Covid-19 situation, fewer people visited hospitals, resulting in a positive technical margin for AZAY which roughly outweighed capital market losses. In the continued low-interest rate environment, AZAY was well positioned with its business focus on health and protection as well as participating products.

AZAY's focus in 2020 was on One Allianz Ayudhya platform where life & health as well as property & casualty products are offered under the same brand. In 2021, AZAY would continue to invest into its digital strategy, foster its leadership in health insurance and drive sales through further professionalizing its agency force and focus on customer centricity.

Operating Results of Good Corporate Governance

The Chairman informed that, apart from conducting a high quality and profitable business, the Company's directors and its management placed utmost importance on operating within the Corporate Governance Code. To satisfy the needs of all its stakeholders the Company is committed to operate with transparency and fairness. Last year, the Company, its subsidiary and its associate company focused on their social responsibility. The Group launched a campaign to create awareness on environmental issues such as waste and recycling, encouraging all employees and the general public to separate waste.

In 2020, the Company received the renewal of its three-year membership certification for the Private Sector Collective Action Against Corruption (CAC) from the CAC Council, which has identified the Company as a good role model, adhering to anti-corruption policies in all aspects.

In 2020, the Group launched an ESG campaign and created environmental awareness with 1,205 participating staff members. So far, the Group reached a reduction in carbon footprint by 12,968kg CO₂ equivalent and a reduction of waste by 51%.

The Company's associate company AZAY received an award for Product of the Year 2020 for its "Cancer no Worries" and three awards related to the Allianz Customer Model.

The total interim dividend payment per share for the year 2020 was THB 1.52, totalling THB 591,685,735 and equivalent to a pay-out
